

Discuss

- Can you describe the biblical principle of interpretation description vs. prescription and why it's important for understanding this passage?
- What are common manifestations of idolatry in our culture?
- What have you been (or are you being) tempted to idolize?
- Can you explain, like Genesis 30:25–31:55 so clearly does, that your (current or former) idols are impotent and unworthy of trust?
- What principles could a Christian in a bad situation glean from Genesis 30:25–31:55 about how to and how not to respond?

Hebrews 12:3–17

Pray

- That the Holy Spirit will help you to rely on the promises of God, not yourself, in facing hard situations.
- That the Holy Spirit will help you to see through the lies of idolatry.
